

MINOLTA BODY CAP

(Old Logo – Tipo 1)

Serial Nr. no
Minolta Code: 7396-330

Characteristics and Functions

This hard plastic cap, for Minolta Manualfocus SLR cameras, is applied to the bayonet by rotating it in the same direction as the locking movement of the lens bayonet on the camera mouth. There are no references for insertion on the SLR bayonet. The word "minolta" is found, in relief, in the center of the raised circular part. The edge has a large relief and is striped. This Type 1 Body Cap features a central portion with regular processing almost to imitate the texture of the fabric. Weight 11g. Diameter: 58.5mm. Height 14mm.
