FS-E, FS-E II

Serial Nr. no
Minolta Code: 6497-260

Characteristics and Functions

This case is made of black leatherette with black edging and black velvet interior. Closing by means of an automatic. Under the closing flap, in a large oval space in soft gray plastic, the "Rising Sun" and the words "Minolta" are arranged on two lines, silkscreened in black in the hot engraving. On the right side, a black leatherette buttonhole with automatic allows the passage of the camera shoulder strap so as not to have to completely separate the bag and camera during shooting. On the back of the bag there is a large black leatherette loop for carrying the case on the waist belt. The words "Japan" are hot-engraved at the bottom.

Weight 47g. Width 83mm. Height 150mm. Max thickness 75mm.
